House rules

1. general

We ask you to treat all facilities in the tower with care. Should anything be damaged, please inform us of the damage as soon as possible.

2. car

Please park your car in the parking lot assigned to you. We ask you to lock your car and not to leave any valuables in it. We are not liable for damage to your car or for objects in your car. You are welcome to drive into the courtyard for loading and unloading, but please be aware of our lawn mowing robot.

3. smoking

Our apartments are non-smoking apartments. For this reason, smoking is only permitted on the outdoor seating areas. Please use the ashtrays provided. Please also show consideration for other guests on the outdoor seating areas.

4. duty of care

Please close all windows and doors when leaving your apartment. We are not liable for any valuables left in your apartment or on the outdoor seating area. Please make sure that all electrical appliances and lights are switched off in your absence. Candles may only be lit in your presence. Please extinguish all candles when you leave the apartment.

5. quiet times

We ask you to be considerate of all other guests in the tower and to avoid unnecessary noise. Please ensure that the usual quiet times are observed, especially on the outdoor seating areas, and that the volume is adjusted accordingly from 10 p.m. onwards.

6. parents' duty of supervision

Dear parents, we ask you to exercise your duty of supervision and keep a careful eye on your children. With its unusual architecture, the tower offers a large adventure playground that requires your attention.

7. tiled stove and open fires

The tiled stove may only be lit using the firelighters provided. The hearth, the stove doors and the stove railing become hot when the tiled stove is heated up, so there is a risk of burns! Therefore, always use the gloves provided to reheat the fire door. Please ensure that there are no flammable objects on the stove surface when the stove is hot and that all other objects are at a sufficient distance from the tiled stove.

The open fires in the living room and on the outdoor seating areas may also only be lit using the firelighters provided. Please open the air flap when lighting the fire. The air flap is opened and closed using the handle located on the outside of the cowl above the fireplace. The air flap remains open until the fire has cooled down. Then close the air flap again. Please keep the fire small and use only a few logs. Never leave the fire burning unattended and make sure that flammable objects are at a sufficient distance from the open fire.

8. storage room

You have the opportunity to store bulky items in our adjoining room in Schedling Castle. We ask you to keep this room locked. We accept no liability for damage to or loss of the items left there.

9. waste separation

You can dispose of your waste in Schedling Castle, the building opposite. The entrance to this room is labeled on the outside with "Bicycles", "Recyclables", "Waste". There you will find a residual waste garbage can (please only throw in tightly sealed bin liners), a paper garbage can, a garbage can for glass (please rinse the bottles briefly and throw them into the glass garbage can without caps/corks) and for plastic containers of all kinds (please also rinse) and plastic film. You are welcome to place deposit bottles in the box provided. Please do not dispose of food waste or hygiene articles in the toilet, please use the garbage cans provided.

10. pets

Pets are not allowed in our apartments.
